## Welcome to the Office of Disability Services

Princeton University is committed to ensuring equal access to its curricular and co-curricular opportunities for students with disabilities. Offering a range of services, The Office of Disability Services facilitates reasonable accommodations to support our students with disabilities. The Office of Disability Services also serves as a resource to the many University administrative units and academic departments that have responsibility for or obligations to accommodate faculty, staff and campus visitors with disabilities.

All students, faculty, staff and visitors are invited to contact us for more information. We may be reached by telephone at 609-258-8840 or by e-mail at [ods@princeton.edu](mailto:ods@princeton.edu).

Beginning Spring 2021, students and faculty will use the new disability management system, ACCOMMODATE, to navigate the accommodation process including making accommodation requests and sending notification letters to faculty.
